

No, I don't want lunch. Are they even still serving? Lunch hour ended about two hours ago. Yes, I'm sure they have very fine pies here, but I'm not staying to eat with you. And anyway there's a cake waiting with my name on it. You are picking up a prescription? Well, is the prescription ready? Oh you've already picked it up. Well, then what are we waiting for? I'll settle up here and then wait outside. Now let's see you move those [_____].
