

Must be answering a call. If I'm quick I can pop next door and pick up a boutonniere. And then if I'm buttonholed I can produce the flowers. I really don't want him sticking his nose in it. Can't have people saying that I don't patronize my own shops. Yes, made it. Oh, I'm just looking for, do you have anything that goes with white? Or anything. I feel much better in here. That's put back the smile on [_____].
