

Why should this name be here? What is he to Hecuba? It is a place rarely visited by hurricanes. I suppose there's [\_\_\_\_\_]. Is that where they come from? I struggle to recall any local habitation. I will be missed, I suppose. I have vanished into airy nothing. I'll find another way back in case he's still hanging about. And then we'll see what we can see. When I returned, dear, there stood a man. A lesson there, perhaps. Many the hopes that have vanished. I've come back to Chinatown after all.
