

Now this is a type designed to grab your attention. Wanted! Dead or alive. Or if a letter is particularly important. Tonight the Philadelphia A's visit the Mitropolis B's. Brought to you by [_____]. I can't see the face of the man in the box. But I recognise his grip. Hands in firm control, almost touching. Probably going for a long drive. I can just picture the look of steely determination under the peak of his cap. A quick glance to the right to make sure there's no danger on that side. He looks ahead with eyes firmly set.
