

People don't understand how far-reaching their victory was. What they know about is who won it for them: the man who fought the devil. Well, it was quite a personal victory. I suppose it helped make his name, though he'd already been sent up twice by then. Was taking a little sabbatical. *Vox clamantis in deserto*. But then he returned. So, it was not so long after all. She seems to be pulling up. That will be quite a maneuver. Looking for something from the stores? A quick blast on the horn. Maybe a little flat there. If this is D, then I put that somewhere between F and G.
